

Circular- June Competition

EWSA/ACAD/ 010/21-22

09/06/2021

Dear Parent,
Greetings from Edify World School!

“Competition on anything is good because it makes everybody better- Eddy Cue”

We got an overwhelming response from parents for successfully conducting the competitions virtually in the previous academic year. Hence, we have planned to conduct virtual competitions in this academic year also.

Competitions allow students to gain experience, showcase their skills, talents and uncover personal aptitude.

We will be having Semi-finals and Finals for each competition. The semi-finals will be conducted by the class teachers as per the schedule given below.

The final competition will be for the students who win 1st, 2nd and 3rd positions from each section. A circular related to the date and topics will be shared 3 days before the final competition.

The results will be published on the same day through email and on social media as well.

Edify World School continuously strives to bring out the best in each **Edifier**.

Please find the schedule of the competitions to be conducted for June.
