EWSA/ACAD/009/21-22

05/06/2021

Dear Parent,
Greetings from Edify World School!

“THE ART OF COMMUNICATION IS THE LANGUAGE OF LEADERSHIP” JAMES HUMES

The “*Communication Skills Enhancement Programme*” (CSEP) which was launched the previous academic year was a great success and appreciated by all parents. We could see the language enhancement and have decided to make it a part of our curriculum. We have drafted a framework for the entire academic session of 2021-22. This programme will not only enhance vocabulary, diction, and confidence in our learners but also focus on their way of speaking and interaction with others.

We are looking forward to your continuous support in making this programme fruitful.
