Dear Parent,
Greetings from Edify World School

"Competition is always a good thing. It forces us to do our best. A monopoly renders people complacent and satisfied with mediocrity." -- Nancy Pearcey, author

Competitions allow students to gain experience, showcase their skills, talents and uncover personal aptitude. After successful completion of Competition held in the month of June we are announcing our upcoming competition for the month of July.

The semi-finals will be conducted by the class facilitator as per the schedule given below.

The final competition will be for the students who win 1st, 2nd and 3rd positions from each section. A circular related to the date and topics will be *shared* 3 days before the final competition.
